1. Heard both sides. This is an application impugning an order passed by the Sessions Court allowing revision filed by the original complainant and permitting the complainant to lead the evidence of an additional witness by name Arvind R.Desai. On perusing the record, I find that the witness was sought to be summoned by making an application under Section 311 Cr.P.C. dated 22.7.2004 for proving the document which has been exhibited as Exh.P-7. I do not find anything perverse in the

impugned order and the application is rejected with the observation that the examination of the said witness should be restricted for the purpose which is mentioned in the application dated 22.7.2004. It also appears that the time given for trial is short and it is directed that outer limit for completing the trial as per the direction of the Sessions Court will be by the end of July-2006. Application stands disposed of.
